

May 28, 2024

Dear Friends,

June 16th is Practice the Tithe Sunday – a special opportunity for each of us to consider what it means to practice biblical tithing. Historically, the tithe is an offering of first fruits, that which sustains ministry, serves community, and affirms the miracle of God’s love. There are many ways we are able to give back to God. Many of us make a pledge in the fall, many of us use our talents and gifts to serve the community of All Saints and the city of Riverside. Practice the Tithe is different.

Practice the Tithe is the simple act of calculating 10% of one week of your income and giving that back to God. It does not replace our regular giving of talent, time and treasure, but rather it affirms our belief in the value of All Saints. It assures that each of us has considered our individual response to the needs of this community. The Vestry has projected a goal of \$8,500.00 for Practice the Tithe.

You can participate in Practice the Tithe by:

- praying about your own participation in Practice the Tithe.
- asking questions about Practice the Tithe, look for the people wearing “Ask Me” buttons.
- returning the enclosed envelope with your calculated 10% tithe, or use the QR code below, or log into the All Saints website.
<https://allsaintsriverside.breezechms.com/give/online>
- For your convenience we have included an example of what 10% of one week of income might be for you.

As you pray about your commitment to All Saints, please consider the generosity shown to us by a generous God. All that we have, everything in our lives, comes from Him.

With Love,

Nerni Miller on behalf of the Stewardship Committee

Yearly	Monthly	Weekly	10%
\$25,000	\$2,083	\$521.00	\$52.00
\$50,000	\$4,166	\$1,042	\$104.00
\$75,000	\$6,250	\$1,562	\$156.00
\$100,000	\$8,333	\$2,084	\$208.00
